*Members', Directors' and Governors' Allowances Policy*

February 2024

To be reviewed in February 2025

## **PAYMENTS TO GOVERNORS AND GOVERNORS' ALLOWANCES POLICY**

### **1 Payments to Governors**

In accordance with the Academy Trust Handbook, it is illegal for members/members/directors/governors to receive any remuneration in relation to their work as trustees of the Academy Trust, other than payment of all reasonable out of pocket travel, accommodation or other expenses legitimately incurred by them in connection with their attendance at meetings, acting in the capacity of member/director/governor of the Academy.

In addition, no member/director/governor may hold any interest in property belonging to the Academy. Nor may a member/director/governor receive remuneration in respect of any contract to which the Academy is a party.

However, nothing prevents the payment of members/directors/governors for the usual professional charges for business undertaken by any member/director/governor who is a solicitor, accountant or other person engaged in a profession, or by any partner or connected person of his or hers, when instructed by the board of directors/governing body to act in a professional capacity, on behalf of the academy. This exception is only allowable if:

- at no time a majority of the members/directors/governors are engaged in such a professional capacity.
- the contract fully complies with the 'not for profit' requirements in relation to connected parties, as outlined in the Academy Trust Handbook.
- members/directors/governors withdraw from any meeting at which his or her remuneration, or that of his or her partner / relative, is under discussion.

Furthermore, all members/directors/governors must ensure that their Record of Business Interests is updated and maintained. The register should include all business interests such as directorships, share-holdings or other appointments of influence within a business or organisation which may have dealings with the Academy Trust. The disclosures should also include business interests of relatives, such as a parent or spouse, or business partner where influence could be exerted over a member/director/governor or a member of staff by that person.

### **2 Governors' Allowances**

The Illuminare Multi-Academy Trust ("The Trust") believes that paying members'/directors'/governors' expenses, in the specific categories as set out below, is important in ensuring equality of opportunity to serve as governors for all members of the community and so is an appropriate use of Academy funds.

Any exceptions to this policy need to be justified to and approved by Finance, Estates and Staffing Committee before any reimbursable costs are incurred and reimbursements made.

### **3 Entitlements**

All members/directors/governors of The Illuminare Multi Academy Trust will be entitled to claim the actual costs they incur for the following:

The cost of travel relating only to travel to meetings/training courses payable in accordance with Her Majesty's Customs and Revenue approved mileage rates. These rates are currently :

- a) 45 pence per mile for cars and vans
- b) 24p per mile for motorcycles
- c) 5p per passenger per mile for carrying fellow governors in a car/van on journeys which are related to meetings / training courses. These rates are in line with the specific rates for Academy staff.

For public transport, actual costs incurred. Where more than one class of fare is available, the rate shall be limited to second class fares. The cost of travel by taxi will be reimbursed only in reasonable circumstances.

Subsistence, if additional expenses are incurred because work as a member/director/governor requires taking meals (i.e. breakfast, lunch or dinner) away from the Academy. Reimbursement will be made for reasonable items bought on the day of the claim.

Telephone charges, photocopying, stationery, postage or other reasonable out of pocket expenses. Where practical, however, members/directors/governors are expected to make use of administrative facilities made available.

Childcare or baby-sitting allowances (excluding payments to a current/former spouse or partner) with prior approval of the Finance, Estates and Staffing committee.

Cost of care arrangements for an elderly or dependent relative (excluding payments to a current/former spouse or partner) with prior approval of the Finance, Estates and Staffing committee.

Costs incurred in performing member/director/governor duties either because they have a disability or additional needs or because English is not their first language, with prior approval of the Finance, Estates and Staffing committee.

Any other justifiable expenses with prior approval of the Finance, Estates and Staffing committee.

#### **4 Submitting Claims**

Members/directors/governors wishing to make claims under these arrangements, should complete a claims form (see Appendix 1), attaching receipts where applicable, and return it to the Clerk. Claims should be submitted at least half termly. The Clerk will submit for approval by the CEO or Chair of The Board of Directors.

## **5 Transparency**

The total value of claims paid per year to members/directors/governors will be declared in a note to the Academy Financial Statements at the end of each financial year.

Claims will be subject to independent audit and may be investigated if they appear excessive or inconsistent.

## **6 Monitoring, Evaluation and Review**
