Sports Day 18

WELCOME

Welcome to the Summer edition of Harton News, the termly newsletter for parents, students, staff, governors and members of the community.

It has been another very busy and successful term and year with a vast array of activities continuing to be a welcome feature of school life, together with lots of additional revision sessions in preparation for the very important examination periods, during the months of May and June.

We break up at 12:15pm on Friday 19th July and students return to school after the Summer holiday on Tuesday 3rd September 2019. Please refer to our 'Pastoral' pages for further information relating to the start of the New Academic Year 2019/20.

I would like to take this opportunity to express my sincere thanks to everyone for your tremendous support which continues to make Harton the 'outstanding' school that it is. **I would also like to say very good luck to all our students on their respective results days in August! I, along with a number of staff, will be present to issue the results on August 15th (A level) and August 22nd (GCSE), and to support the students in deciding their next steps.**

Finally, I would like to wish you all a fantastic Summer break with your families and I look forward to welcoming our students back to school on Tuesday 3rd September.

Best wishes
Sir Ken Gibson
Executive Head Teacher

Thinking about teaching?

We would be interested to hear from you if you are thinking of becoming a teacher, or know someone who is. We are looking for people who have (or will have): a degree, a passion for teaching and a desire to inspire young people to fulfil their potential.

For more information visit:
www.hortonacademy.co.uk

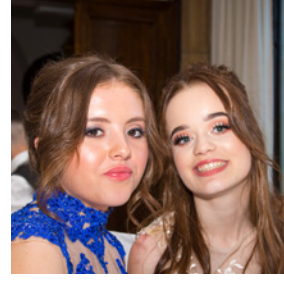

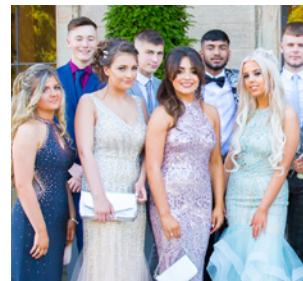

Or email us at:
schooldirect@hortonacademy.co.uk

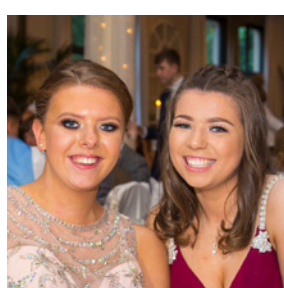

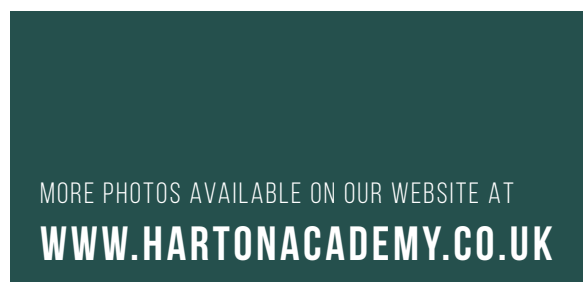

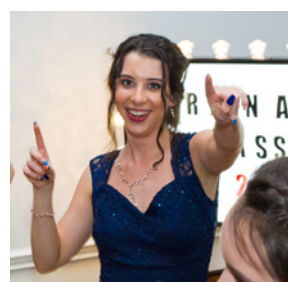

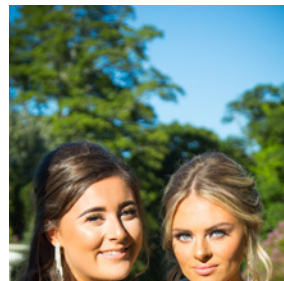

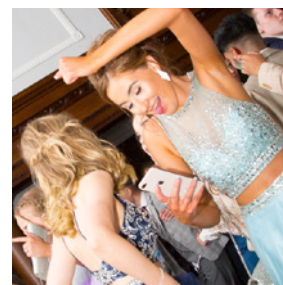

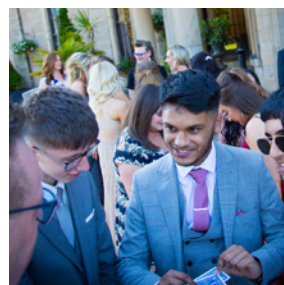

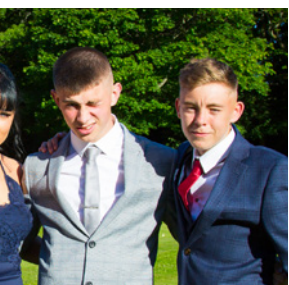

SPECIAL FEATURES

YEAR 11 PROM

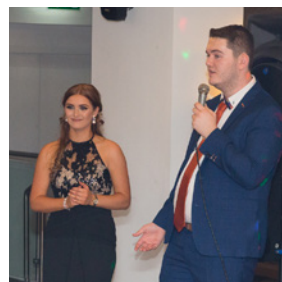

The weather was glorious as our students basked in the sunshine and the beautiful surroundings of Beamish Hall Hotel. Over 200 Year 11 students joined around 40 staff to celebrate their achievements at Harton Academy. The ladies were stunning and wore breathtaking dresses in a variety of colours and styles reflecting their own personalities. The gents looked sophisticated, stylish and confident. Seeing so many staff and students share this extraordinary event - a real highlight of the school year - showed the spirit, commitment and team-work which makes Harton Academy such an outstanding place to develop and progress. The food was, as always, scrumptious and was complemented by the elegant decorations, which dressed the beautiful Winter Garden Room that Beamish is famous for. It really was a wonderful event and we wish all of our Year 11's the very best for the future and look forward to welcoming them on results day in August and to our 6th Form in September.

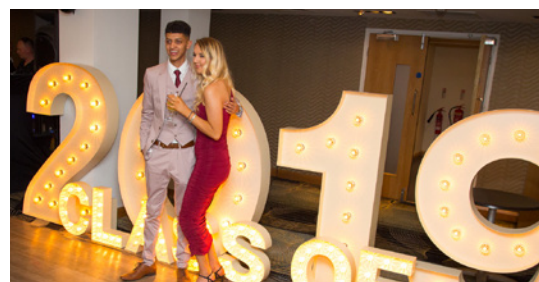

YEAR 13 LEAVERS' BALL

The class of 2019 were in high spirits and keen to celebrate the end of A levels. They all looked smart and sophisticated and it was lovely to see the amazing young adults they have turned out to be. They arrived at The Holiday Inn, Jesmond, where they enjoyed canapes and arrival drinks, chatting with staff and reflecting on their time in Sixth Form. Emily and Josh, Head Girl and Head Boy, spoke of their time in Sixth Form and how they have made strong bonds with their peers. The dancing started early, even a few 'worms' were thrown in, and they went on to dance the night away. The photo-booth was a hit as usual with some rather comical photos. A great night was had by all!

GCE & GCSE RESULTS/6TH FORM ENROLMENT/COLLECTION OF CERTIFICATES

GCE EXAMINATION RESULTS

Thursday 15 August from 8:30am

GCSE EXAMINATION RESULTS

Thursday 22 August from 9:00am

6TH FORM ENROLMENT

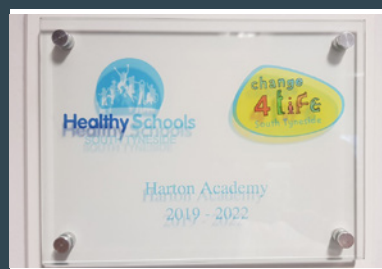

Thursday 22 August from 9:30am. Students should report to the 6th Form Reception to begin the enrolment process.

COLLECTION OF CERTIFICATES

Examination certificates will be available in school, to be collected, late November or early December. These certificates are actual proof of achievement and will be required by employers and further education institutions. It is very important that you keep these certificates in a safe place - replacement costs in the region of £50 per certificate.

WE WOULD LIKE TO TAKE THIS OPPORTUNITY TO WISH ALL OF OUR STUDENTS EVERY SUCCESS ON RESULTS DAY!

HEALTHY SCHOOLS AWARD

We are pleased to inform you that the school has managed to gain re-accreditation for this prestigious Public Health Award. The certification was granted at a recent ceremony held at the Town Hall, attended by local dignitaries and sponsors. The re-accreditation will last for three years.

SCHOOL DIRECT TRAINEE TEACHERS

On June 28th, Harton's School Direct trainee teachers' completed their training year. Our primary phase trainees have been trained, in the main, by our wonderful colleagues at Mortimer Primary, ably supported by Northumbria and Sunderland Universities, the two PGCE awarding bodies. Our secondary phase trainees have been trained in a long-standing partnership between the Harton Teaching School Alliance and the Carmel Teacher Training Partnership. We would like to take this moment to reflect upon the enormous efforts of all our partner schools' colleagues, who enabled our 25 trainee teachers to successfully graduate from the programme. There are too many individual schools and members of staff to name, but 'outstanding work', one and all! Good luck to the Class of 2019 - we wish you well in your future teaching careers!

Preparations are now finalised for next year's trainee teachers. The cohort has grown to 32 trainees across the primary and secondary phases, and we are looking forward to getting started in September!

STUDENT ACTIVITIES

YEAR 8 HISTORY CLASS - AN AUDIENCE WITH THE GRANDSON OF SAPPER ROBERT BELL

Miss Chesterton's 8S1 History class were able to work with real primary sources from 1911-1915 to uncover the life of Sapper Robert Bell. Robert and his wife Amy lived in South Shields, as does Bill Scott, their surviving grandson. Sapper Robert Bell died in France on the 25th December 1915 aged 32. He was part of the Royal Engineers, Durham Field Company. The class of 8S1 were delighted with the experience which has motivated many of them to begin conversations with their own grandparents about war time experiences.

YEAR 8 STEM PROJECT 'AIRGINEERS'

Airgineers is a STEM challenge which gives secondary school students the opportunity to design, build and learn to fly their own radio controlled quadcopter or drone. Led by Mr Taylor, a group of 20 talented Year 8 students have been working together in teams to design and manufacture a micro drone using the 3D printer. The 3D printer can be navigated with a camera mounted on it by a pilot wearing a VR headset and controlling it with a radio remote transmitter.

On Wednesday 3rd July, Benjamin Sanallah (Team Captain), Layla Cave, Muhaimen Ali, Zeena Kadeem and Rhys Simpson took part in a 'battle of the drones' competition at Nissan. Despite not winning, the students rose to the challenge brilliantly and had a lot of fun in the process! Congratulations to all the students who took part!

YEAR 9 MEDICAL MAVERICKS!

A group of our Year 9 students took part in an amazing, hands-on workshop organised by Medical Mavericks. The students had the opportunity to try out real medical equipment in the classroom and got to learn about a range of different careers in the NHS. Activities included: taking blood from a fake arm, using an ultrasound machine to see inside their body, trying key-hole surgery and scanning the retina in the eye with an eye phone. If you would like to find out more about different careers in health please visit:

www.medicalmavericks.co.uk

www.healthcareers.nhs.uk

6TH FORM ACTIVITIES

TEAM NEPAL EXPEDITION

Team Nepal are having a fantastic time- email updates below.

WEDNESDAY 3 JULY

*Hi all, it's Team Nepal!
Just to let you all know we arrived safely on both flights. We have settled into our rooms in the backpackers' hotel and the rooms are surprisingly lovely. We are now about to order our first meal in a fab restaurant. Hope you are not missing us too much already!
Kisses, hugs and love from
Team Nepal X*

THURSDAY 4 JULY

Today we have arrived in the school and received an incredibly warm welcome from the pupils, receiving gifts of flowers. Our project is to turn an area of rubble and dirt into a playground. We have to level the land, lay foundations and then the pavement. It's a big job but we've already made a lot of progress. Working in the heat is difficult but we are making sure to take

*regular breaks and look after everyone. The food is great and the sleeping arrangements are pretty good. However, the toilets are interesting! All of us are having a great time and thinking about you all at home.
Lots of love, Team Nepal :)*

MONDAY 15 JULY

Just completed the second day on trek and fair to say we're a bit tired. The views are incredible - almost fairy-tale like. It has been challenging so far but thoroughly worth it. Everyone's been eaten by leeches, to our guide's entertainment (Kumar) and are looking forward to a good sleep tonight. We hope you're all doing well, miss and love you lots, Team Nepal.

6TH FORM YORK TRIP

Forty-six of our Year 12 students enjoyed a visit to York St John's University and the University of York on Tuesday, 2nd July. This gave our students the opportunity to compare a campus and city centre establishment and to help them to make an informed decision on where they would like to study when they come to applying to university at the end of this year. This trip hopefully inspired them to work hard and achieve their goals!

YEAR 13 FINAL ASSEMBLY

Well done to all the students that received the subject prize awards at the final year 13 assembly. It was lovely to share some of the memories created over the past two years and also show some embarrassing older photos that highlighted how much the students had changed and grown up. They have been a fabulous year group that we are very proud of and I have no doubt that they will not only do well in the upcoming examinations but also in the future. We are very fortunate to work with such talented young people and we very much look forward to seeing them flourish. We look forward to seeing many of them at the Harton 6th Form Presentation Evening on December 16th 2019.

YEAR 12 DURHAM VISIT

Over 50 year 12 students recently went to Durham University to find out more about how a Collegiate university works and also to have a tour around the city and several of the different Colleges. It is great to see so many students aspiring to go to such a prestigious university and we were delighted that two former students were our guides for the visit and great to see them flourishing after they have left Harton. Hopefully this type of visit will help raise aspirations and give students the required focus to push for the very high grades that are required.

6TH FORM FOOTBALL

The 6th form football team has again had a very successful season in winning the northern league and making it to the final which was played at Durham University. Unfortunately they lost out to a strong St Robert's team but all the players did themselves proud in the way that they organised and conducted themselves under the guidance of Mr Green. We are very proud of their efforts and hopefully the younger members of the team can now take on the mantle and keep the momentum and build on this success next season.

ECO TEAM NEWS

Recently, Harton Academy has started recycling more paper and plastic bottles. These everyday products are now being re-used and not wasted.

We have now included all types of Inhalers in the

items we can recycle within school. You can drop them off at 6th Form Reception or, better still, take them directly to Boots, Prince Edward Road, The Nook, South Shields. Boots are part of the **'Complete the Cycle'** programme. This is to make sure they are safely disposed of and to help stop them ending up in landfill. 73 million inhalers are used in the UK every year and we hope to do our bit by encouraging students and staff to dispose of them correctly. Harton Academy is very pleased to offer this service.

CAN YOU HELP OUR TEXTILES DEPARTMENT?

The textiles department, led by Miss Johansen, would appreciate

any **unwanted sheets, pillowcases and other materials** (not clothing) that you no longer use. These will be upcycled in class rather than wasted in landfill. Items can be donated to the 6th Form Reception or students can deliver any donations directly to the DT department. Many thanks in advance from the DT textile team.

Did you know six billion packets of crisps are consumed each year in the UK? Sadly, many of these empty packets end up in landfills, on our streets and ultimately in

our oceans! A packet of crisps can take mere minutes to devour but the packaging can take up to eight decades to decompose! As always, it is better to reduce than to recycle so how about taking a challenge of going **crisp free for a month?!!** At Harton, we are teaming up with Terracycle to make an impact on the responsible disposal of these crisp packets. Terracycle take these items and condense them to make plastic pellets which are then upcycled into all kinds of outdoor furniture. The charity 'KicksCount' will collect the full boxes and in turn pass onto Terracycle - even make a

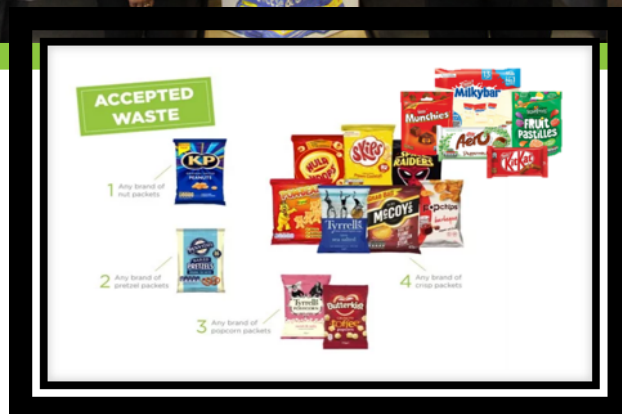

Stories compiled by Louis Gowans, 6th Form student, as part of his work experience within the Eco Team!

few vital pounds for their charity in the process. Find out more by following this link:

<https://www.kickscount.org.uk/Pages/FAQs/Category/recycling-streams>

We have a box at 6th Form Reception for all types of **CRISP PACKETS AND SWEET WRAPPERS ONLY**. Please feel free to use this facility. Why not take a look at the link to see what you could recycle from home in conjunction with Terracycle yourself?

PASTORAL PAGES

IMPORTANT INFORMATION FROM SOUTH TYNESIDE DISTRICT HOSPITAL

With effect from Monday 5 August 2019, Children's A&E Services at South Tyneside District Hospital will close every night at 10:00pm and re-open every morning at 8:00am. If you are worried about your child over night (between 10pm and 8am):

- Call NHS 111 for urgent medical advice
- **Go directly to the Children's Emergency Department at Sunderland Royal Hospital** or
- **Call 999 for an emergency ambulance.**

NATIONAL SCHOOL BREAKFAST PROGRAMME

We are proud to be a National

MONDAY TO FRIDAY
Available to everyone!

School Breakfast Programme school! We are happy to offer a healthy breakfast to **all our children - free of charge** - and we would welcome your child to join us for a great start to the day:

- **Our Breakfast Starts at: 8:00am until 8:30am** and is held in the **Dining Hall**.
- We offer: **Bagels** (buttered or plain) and **Cereal**

TUESDAY 3RD SEPTEMBER - STUDENTS' FIRST DAY BACK AFTER THE SUMMER BREAK!

Year Groups should attend for Registration at the following times:

YEAR 7

8:30am to a Main Hall Welcome and Assembly with the Head Teacher.

(Year 7 students will also have their photographs taken and have a tour of the school. There will be a staggered Year 7 lunch starting at 11:35am which will continue until the routine is established. In the afternoon, Year 7 students will report to their timetabled lessons.

YEARS 8/9/10/11

9:55am for period 2 with form tutors. Students will remain with form tutors until lunchtime. In the afternoon, all main school year groups will be in their timetabled lessons. Year 9 photographs will be taken on Wednesday 4th September.

YEAR 12

TUESDAY 3RD SEPTEMBER

9:00am Lecture Theatre welcome, assembly and induction day.

WEDNESDAY 4TH SEPTEMBER

Induction continues

THURSDAY 5TH SEPTEMBER

9:00am Lessons start.

YEAR 13

WEDNESDAY 4TH SEPTEMBER

Collect timetables from 12:00 noon at reception.

THURSDAY 5TH SEPTEMBER

8:30am to Lecture Theatre welcome and assembly.

THURSDAY 5TH SEPTEMBER

9:00am Lessons start.

KEEPING IN TOUCH!

If any of your contact details (address, phone numbers, email address) have changed, please make sure you let Harton Academy know. It is important that we can contact you, whether for routine letters or in the case of an emergency. You can do this by calling into the school, by telephoning the office - 427 4050 - and asking to speak to the Attendance Officer, or by emailing: headteacher@hartonacademy.co.uk

It is important that you keep us up to date with any medical issues that are relevant to your child. This includes any new conditions, changes to current conditions or when something no longer affects your child. It is especially important when it comes to allergies. If we are made aware of any allergies, we can help prevent problems, as well as being aware of what action to take in the case of an emergency. You can contact the Medical Welfare Officer on 427 4050 ext 206, or by emailing jmizen@hartonacademy.co.uk

WE SUPPORT "THE RED BOX PROJECT"

The Red Box Project is a community run project that has been set up to tackle period poverty by providing free sanitary products in schools to any young woman who needs them.

Donations can be dropped off at Sixth Form Reception.

EMOTIONAL HEALTH & WELLBEING IN SCHOOLS

Self-care and support for young people

During the course of the next academic year, we are going to prioritize awareness of emotional health and wellbeing, amongst students and staff. Developing healthy lifestyles, physical and mental, will be the focus of a new personal development tutorial programme for all main school pupils. Awareness of the need to achieve a healthy 'work life balance' is being addressed amongst staff. These areas feature in our school improvement plan for 2019-2020. As part of the whole school approach to this issue, we have undertaken to achieve the national Wellbeing Award for schools.

We would like to thank all who took the time to complete the Wellbeing evaluation questionnaires that were made available last term. Responses are being analysed and will form the basis of a whole school action plan about emotional and mental health.

A common request from all parties was that the school provides more information as to how parents and pupils can respond when they have a concern. That request has been addressed and we will make such information available via our website. Please look for the 'Wellbeing' access box on the website menu.

During coming months, staff at Harton will be developing the idea of promoting 'wellbeing' for all stakeholders. Via the website, we will keep in touch with all parties in terms of progress being made.

Thanks for your continued support!

USE OF BIKES DURING THE SUMMER HOLIDAYS AND THE AUTUMN TERM

We hope that all of our young cyclists stay safe this summer. With the holidays ahead, we would like to remind them of the following safety procedures:

- your parents should be satisfied that you have a satisfactory level of competence and an awareness of cycling proficiency
- you should conduct regular checks on the roadworthiness of your cycle, with particular regard to brakes and tyres
- you should wear a cycling helmet
- you should ensure that your cycle is fitted with working lights
- you should always cycle responsibly and carefully - stay safe!

Looking ahead to September, **all cycles brought onto the school premises are done so at the owner's risk. School cannot be held responsible for loss or damage.**

IMPORTANT DATES FOR YOUR DIARY

We break up for the Summer Holiday at 12:15pm on Friday 19 July 2019.

GCE RESULTS DAY

Thursday 15 August

GCSE RESULTS DAY

Thursday 22 August

LOCAL AUTHORITY BULLETIN RE: UPDATE TO THE BANK HOLIDAYS FOR 2020

Following a recent announcement, the government website has published an update to the bank holidays for 2020 <https://www.gov.uk/bank-holidays>.

The early May bank holiday has been moved from 4 May 2020 to 8 May 2020.

SPORTING HIGHLIGHTS

WIMBLEDON!

We took 43 students to Wimbledon on 3rd July to watch the tennis and visit Emirates Stadium. The weather was amazing as was the strawberries and cream! The students thoroughly enjoyed their experience and have a new found respect for the sport!

GIRLS' RUGBY

Congratulations to our Girls' U15 Rugby Squad who have had a fantastic season! Following their phenomenal result in winning the County Cup, they went on to gain 2nd place in the County Sevens competition and they won every game they played in the recent Beach Rugby Festival at Sunderland. Their commitment and sportsmanship throughout the season have been inspirational and they can be justly proud of the way they have represented themselves and Harton Academy. The Girls' U15 Rugby Squad are excellent ambassadors for the sport! Congratulations!

DANCE FESTIVAL 2019

On Monday 17th June, our Dance Group performed at the Customs House for the Area Dance Festival. The dance was choreographed by Phoebe Heads and Scarlet Ford in Year 9.

GIRLS IN SPORT - CELEBRATION EVENING

Our Girls' Group Celebration Evening was held at the Hedworth Hall on Thursday 9th May. This is an evening to celebrate "girls in sport" and for anyone who attends any form of extra-curricular activity! We also present awards to players' **'player'** for each team and coach's **'player of the season'**. As you can see from the photographs, we have a fabulous Group of Girls!

LOCAL AUTHORITY SPORT AND LEISURE SUMMER PROGRAMME

Please see below the web link for South Tyneside Council's School Summer Holiday **'Sports Coaching Programme'**. There are loads of sports coaching activities and play schemes for the children to engage in and bookings can be taken now.

<https://www.southtyneside.gov.uk/article/34575/Summer-sports-programme>

GYM MEMBERSHIP PRICE STRUCTURE

From 1st May, we were able to change our Gym Membership Price Structure, meaning that everyone can now access our excellent fitness facilities for just **£20 per month**. The monthly fee is set up via a direct debit, however, there is no minimum term contract so members are not tied in with us should they wish to leave.

UNLIMITED ACCESS

All memberships include unlimited access to the gym, fitness programmes / reviews, group fitness classes and personal trainer advice.

NEW EQUIPMENT

In June we were able to purchase some new equipment to enable us to offer more variety for our members.

- A multi-functional training rig now takes pride of place at the centre of our gym
- Two Smiths Machines
- Barbells and Dumbbells weighing up to 50kg.

YOUTH MEMBERSHIPS

Our Youth Membership is available for age 12-15 year olds (and all year 7's at Harton). This membership offers all of the same benefits as the adult memberships, however, it's only £15 per month. All children will be given programmes to follow by our staff and are closely monitored in the gym. *Please note: everyone under 16 must use our children's changing rooms at the bottom end of the Centre (not the Gym Changers).*

IF YOU WOULD LIKE ANY FURTHER INFORMATION, WOULD LIKE TO JOIN OR TO BOOK IN FOR A FREE SESSION, PLEASE CALL US ON OUR DIRECT LINE:

 0191 4274055

PHYSICAL EDUCATION ACTIVITIES

NORTH DURHAM COUNTY NETBALL TRIALS

Congratulations to Jenna Ord, Eleanor Bruce-Olley, Yasmin Bruce-Olley, Olivia Ford, Sarah Ebuk and Millie Ramsay who were all successful in their County Netball Trials!

Jenna and Eleanor have a place in the **County Academy (U16)**

Yasmin has a place in the **County Satellite (U14)**

Olivia, Sarah and Millie have a place in the **U18 County Squad**.

All girls played amazingly well and were picked out from approximately 150 competitors! Well done!!!

ROUNDERS SCHOOL TOURNAMENTS

What a successful rounders season Harton have had this year. We entered our Year 8, 9 and 10 teams and all girls have thoroughly enjoyed the season.

Year 8 team saw off stiff competition from Whitburn to win the tournament. Whitburn in the field were very strong but some great rounders from **Eleanor Dolan** and Katie Bell resulted in us winning the tournament!

The Year 9 competition was also fierce, with some great displays of skill from the girls. The Year 9 team triumphed against St.Wilfrid's and Whitburn to win their tournament! Wonderful results all round - well done girls!

ATHLETICS AND FOOTBALL VOLUNTEERS

In the summer term, the PE department were asked to nominate a range of Year 8 and 9 students to help support the Year 3 Athletics Event at Monkton Stadium. Thankfully the weather stayed fine and the event was a great success. Our students were a credit to the school and were both organised and

encouraging of all the students who took part.

The organiser was so impressed with our students that he asked if a few more could participate in the football event at the Beacon of light. As a thank you to our Year 10 Work Experience Boys, we sent Flynn Lincoln, Adam Rose and Harry Scurfield to the football event.

ATHLETICS VOLUNTEERS YEAR 8

Eleanor Bruce-Olley, Yasmin Bruce-Olley, Molly Gibson, Erin Amess, Adam Briggs, Oliver Moore, Jake Jones and Kaden Smith.

YEAR 9

Shea O'Callaghan, Josh McKenny, Ethan Brennan, Lee Stephenson, Scarlett Gowan, Ana Wylie, Jenna Ord and Charlotte Sibbald.

HARTON CRICKET CLUB

This year saw the resurrection of Harton Cricket Club. Approximately 20 students have been regularly going to lunch time and after school cricket nets practise. We are hoping to continue this in September, so we can enter the schools' tournaments next academic year.

YEAR 7 RUGBY LAKE DISTRICT RESIDENTIAL

Twenty one students and three staff took part in a residential visit to the Lake District during June. The visit was not only an ideal opportunity for the students to further develop their team spirit, but also a reward for all of the hard work and commitment they have shown throughout the year. We stayed at Threlkeld Village Hall, near Keswick, and, although basic, it was ideal for what we wanted to do.

We arrived on the Friday and visited Black Moss Pot which is in Langstrath. This is a plunge pool with various opportunities to jump into the refreshing water - which was not as cold as the students said it was and Liam McKenzie certainly impressed all with his courage!

The following day, Saturday, we had our breakfast, the students made their own packed lunches and we set off for Keswick, taking the launch and travelling to the top of the Lake from where we climbed Catbells. Fitness levels were high and the students virtually ran up like mountain goats! We returned down to the Lake to get the launch back to Keswick and, naturally, took the opportunity to jump off the jetty into the Lake! Great fun!

On the Sunday we packed our bags, bought a few souvenirs in Keswick then took part in an eventful game of rounders in the park - Kobe must improve his catching!

A very successful trip, good fun, good company and long lasting memories for all!

SPORTS DAY

On Tuesday 16th July we held our annual inter-house sports day. Students in year groups 7-10 competed in four houses, Chapman, Fenwick, Kirwan and Lawrenson.

During the morning the field events of Shot Putt, Discus, Javelin, Long Jump and High Jump took place. In the Afternoon the track events took place.

The competition was fierce with all students giving their all for their respective houses. An excellent day with great competition, fantastic effort and great fun had by all.

Congratulations to the overall winners of Chapman House.

YEAR GROUP WINNERS

	FIRST	SECOND	THIRD	FOURTH
YEAR 7	KIRWAN	FENWICK	CHAPMAN	LAWRENSON
YEAR 8	CHAPMAN	KIRWAN	LAWRENSON	FENWICK
YEAR 9	CHAPMAN	FENWICK	KIRWAN	LAWRENSON
YEAR 10	FENWICK	CHAPMAN	KIRWAN	LAWRENSON

OVERALL WINNERS

FIRST	SECOND	THIRD	FOURTH
CHAPMAN	KIRWAN	LAWRENSON	FENWICK
