

## Media Studies summer task

# hart6n

As a forthcoming media student, it is important that you have experience of understanding a wide range of media texts and genres. Therefore, this year, we would like you to complete the following:

### Task 1:

Create a moodboard (there are some examples on the right, or you can google examples, if you're unsure what this looks like).

We would like a range of images related to:

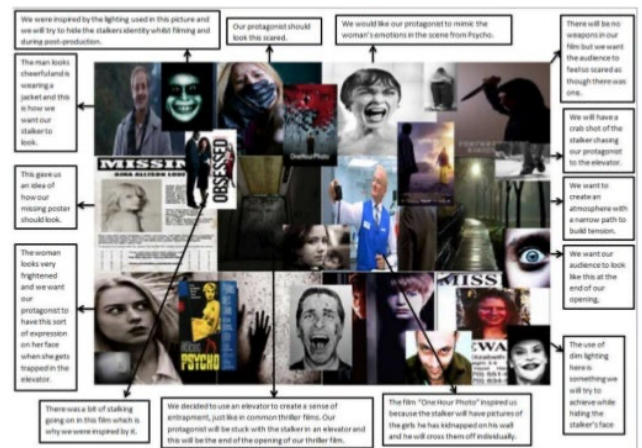

- 1) TV programmes
- 2) Magazines
- 3) Film Posters

All of your own choosing.

Then, you must annotate what you think are the key features (codes and conventions) of the images you have chosen and anything else that either stands out, or you can analyse about them.

This can be completed either:

- **Electronically** and **emailed to** [kmccarty@hartonacademy.co.uk](mailto:kmccarty@hartonacademy.co.uk) and [jdawson@hartonacademy.co.uk](mailto:jdawson@hartonacademy.co.uk)
- Or **physically** with a **photo** taken of your work and **emailed to** [kmccarty@hartonacademy.co.uk](mailto:kmccarty@hartonacademy.co.uk) and [jdawson@hartonacademy.co.uk](mailto:jdawson@hartonacademy.co.uk) and brought along as part of your enrolment.

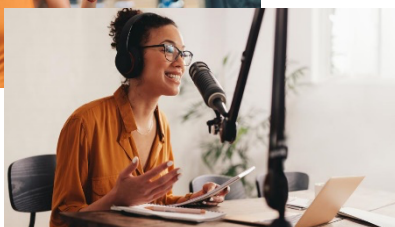

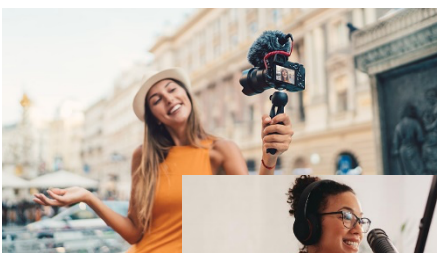

### Task 2 (optional challenge)

Record either a vlog or a podcast style presentation of your moodboard.

This should last approximately 1:30-2:00 minutes and can be filmed/recorded on your phones.

This can be completed:

- **Electronically** and **emailed to** [kmccarty@hartonacademy.co.uk](mailto:kmccarty@hartonacademy.co.uk) and [jdawson@hartonacademy.co.uk](mailto:jdawson@hartonacademy.co.uk)

**All work must have names clearly visible and must be completed to the best of your ability. Good luck!**
