

Sociology Summer Task

SOCIAL PROBLEMS

Research Task:

Using a range of media sources including newspapers, the internet and the news on TV

- Explain what is meant by the term “Social Problem”.
- Identify three social problems that we have in contemporary British society.
- Explain why it is a social problem and not just a private issue.
- Explain what the possible causes are for each of the social problems identified
- Explain what the possible solutions are to each of the problems you have identified

Put together a presentation on the social problems identified (print off the presentation slides and notes pages for submission).

The above task needs to be completed and handed in as part of the enrolment process.

Please ensure your name is clearly visible on the work.
